Gen2Rev is here!

The Co-Pastors are very excited to welcome you to our every-Sunday classes in the Fireside Room at 10:50am!

• No prior Bible knowledge needed!
• We plan to give you a sense of the overall story of the Bible by the end of May 2027
• Taught by Co-Pastors Jill & Daniel, Professor Hans Wiersma, our Outreach Coordinator Anna Jeide-Detweiler, and Church in Society Chair, Ian Wriesner

- If you plan to be with us, please consider purchasing a study bible for the year. A study bible has notes underneath the scripture text, as well as things like maps and other introductions to each book of the bible.

Over the course of the sessions you will be writing your own commentary in your bible, so a good study bible will be add to your understanding and knowledge!

The newest edition of our Lutheran-Christian bible is called the 'NRSVue,' which stands for 'New Revised Standard Version, Updated Edition. ` If you can't find one of those, no worries. You can also look for Bibles that are 'NRSV,' 'NIV,' or really any other translation. In our eyes, all translations are helpful to have in a class like this because they show different ways scholars and denominations make choices to interpret scripture.

Ecumenical Election Day Prayer Service

Election season can be a troubling time for many in our community. In response, the faith leaders of St. Anthony Park are once again coming together in a spirit of community, peace, and prayer.

From 7am - 5pm on election day, SAP faith leaders (Catholic, ELCA, Episcopalian, Methodist, and UCC) will be present at SAPLC to provide a comforting space for those who want to reflect, pray, connect, or just take a deep breath.

At 12pm, **faith leaders will offer an ecumenical prayer service**. Drawing on our shared Christian values, we will uplift our faith as a source of compassion, justice, kindness, love and care. All are welcome to attend. Questions? Contact Outreach Coordinator Anna Jeide-Detweiler at outreach@saplc.org.

Fall Gardening Presentation

After church on Sunday November 8 th the Care for Creation Team has invited Margot Monson to make a presentation about gardening at this time of year. Margot is an entomologist who lives in our neighborhood. She will share from her wealth of knowledge about the insects, plants, birds, and animals that are getting ready for winter in our yards. Weather permitting, she will take us outside and tell us how to care for God's good creation in the church's flower beds, and in our yards too.

After Margot's program, the Team will gather for a few minutes in the Peace room upstairs to talk about our calendar for the next few months. New members of the team will be welcomed eagerly. Please join us for the program and the Team meeting.

Explore Reformation History in 2027!

Continuing in our long line of international trips to learn more about our Christian Lutheran heritage, we are excited to announce our next trip: Germany and Prague in 2027. Together with the people of Gustavus Adolphus Lutheran (St. Paul), we will experience Reformation Sunday in Wittenberg, learn about Reformation History from our own Rev. Dr. Hans Wiersma, and explore important cultural sites. Check out the promotional flyer for more details. *Let Pastor Jill know if you'd like to be added to the "Interest" list to ensure you receive more trip details once available.*

Wednesday Dinners!
