3pm: SAP Community Support Group

Cultivate Community

We embody Christ's welcome, building meaningful relationships within and beyond our congregation in order to be deeply known.

Join us in July and August for all ages musical fun at SAPLC!

Outdoor Music for families returns on Wednesdays in July and August from 4:30-5 p.m. We will explore the natural world of all creatures great and small! This class is for children and their caregivers.

In July we invite everyone to sing together on Wednesdays at 5. We will learn a piece that highlights the Dwelling Place theme "Heart of Service" to sing in worship on August 2nd. Stay each week for dinner and the Dwelling Place service project and learning.

In August we invite all ages for guitar instruction at 5 p.m.. Bring your own acoustic guitar or borrow one of ours! We will learn basic chord progressions and all interested can stay on for "band practice" when we will learn a piece to play for kickoff Sunday.

So Welcome to The Dwelling Place! Plan to be at church on Wednesdays (8, 15, 22, 19) this month from 5:30 to 7:00 pm for our engaging all-generations series focused on "Heart of Service." Each night, dinner, a lesson, a service project, and a whole lot of joy await you!

For more information and to reserve your spot, check the SAPLC website at <https://www.saplc.org/the-dwelling-place> or via this link →

Help Build Belonging at SAPLC: House Leaders Needed

Our House Ministry is one of the primary ways we build connection, community, and belonging at SAPLC—and it depends on volunteer leaders to thrive.

We are currently seeking leaders for the **July** and **December** Houses. Each house has two leadership roles:

Service Leaders help coordinate readers, ushers, and coffee hour during their house's service month.

Content Leaders organize occasional gatherings that help house members connect and grow in faith together.

Whether you enjoy organizing, welcoming others, building community, or planning fun events, there is a place for your gifts in this ministry.

You don't have to serve alone—friends and family members are welcome to lead together!

Interested? Email office@saplc.org and let us know whether you are interested in a Service or Content role and which house (July or December) you would like to lead.
